- **Any 2 Hour Level D classes scheduled cost the same rate as 1 ½ Hour classes for students taking at least three ballet classes per week. For others it is \$65.00 per month, or \$25.00 per class – single class rate.**
- **Private lessons are \$40.00 per hour, \$25.00 per ½ hour. Private lessons are only available to students who study in at least two ballet classes per week on a regular basis, and only if there is a teacher available whose schedule can accommodate private lessons along with free studio space.**
- **Pilates Mat Classes – The Monday class will be included with regular tuition payments. But some classes (not yet on the schedule) may be offered only on a per class basis subject to the specifications of the teacher. Standard Registration Fee applies, but there are no additional registration fees for those registered for other classes. Interested students will receive information on the mat required for participation in the class.**

Theater Games, Dance Plus, and other special classes that do not meet according to the regular class schedule are on a "pay per class" basis. Standard Registration Fees apply, but there are no additional registration fees for those enrolled in other classes. You will receive a schedule later during the year if any special classes will be offered. Charge for these classes is as follows:

- Students taking not enrolled in another class: \$15.00 per class
- Students taking one other class per week: \$12.00 per class
- Students taking two or more other classes per week: \$10.00 per class

Saturday Performance Group Rehearsals - There is a yearly rehearsal fee of \$50.00 for students involved in rehearsals and performances throughout the regular season (Sept.-June). Parents and dancers involved are expected to provide help with a variety of Performance Group needs, and to maintain regular attendance in technique classes and rehearsals.

Academy June Demonstration - All families and individuals enrolling for dance classes are required to pay a yearly **\$45.00 fee** to help cover the cost of the Academy Closing Demonstration. This is one fee to cover yourself and all friends and family you invite to the program, **there are NO additional charges for things like costumes, tickets, etc.**

- **Karate students' payments for classes are on a different monthly pay schedule that you will receive if you choose to enroll in a Karate class. Please call or e-mail if you have questions. 446-0447 or lisataylorballet@hotmail.com**

Withdrawals and Refunds: There is a two-month (pay period) minimum for all lessons. One-month notice from the beginning of a new pay period is required to discontinue any classes. Withdrawal must be done in person and will not be accepted over the phone. Withdrawal must be done by speaking personally with the Director of the Academy and not with the teacher.

**We do expect to be informed if a student will not be continuing lessons for any reason.
There are no refunds of fees or pre-paid tuition payments.**

Class Placement: Placement in class is always based upon the needs and goals of the individual student. The first month is considered to be a time of evaluation for all students with regard to their class placement. The director and faculty will be assessing the strengths and growing edges of each student to determine which class is most appropriate for him or her. Final decisions regarding placement will be made by the director before the second pay period. If it is necessary to change your/your child's class, you will be notified.

Dress Code: Required dance wear and shoes must be worn to all classes, there is a list available. Hair must be arranged properly, as appropriate for the age and level of the student. We will not embarrass a student by making him/her sit out if not properly prepared for class, but this is a professional school and we desire to maintain a high standard of quality. Repeated failure to be

properly prepared can result in termination of lessons. **No skirts or skirted leotards for dancers under age 14 unless they are class assistants assisting a class.**

Student Conduct: Students are expected to behave appropriately in class or they will be asked to leave the class. No food, gum, or drinks in the dance rooms. Water in water bottles is permitted. No shoes worn outside are permitted in the dance studios. Students are expected to show respect for themselves, their teachers, and their fellow students by listening carefully and remaining focused, cleaning up after themselves in the entry area, dressing room, the lavatory, and the dance studios. Outerwear should be hung neatly in the entry area, not left on chairs or the floor.

Attendance and Make-up Classes: Consistent progress is dependant on consistent attendance. **Students are expected to attend all classes in which they are enrolled. There will be no refunds or class credits given for missed classes during any pay period.** The Academy is under no obligation to provide extra make-up classes. A student missing an occasional class may ask the director when there is a scheduled class that is appropriate for him/her to use as a make-up. It is the responsibility of the parent and/or student to obtain this information and to choose whether or not to make up the missed class. Any classes the Academy must cancel due to illness, inclement weather, etc. will, of course, be rescheduled. **Students who miss a significant number of classes may need to have their class level adjusted if they cannot keep up with their class because of excessive absence (more than 3 or 4 lessons per semester).**

- **Necessary Cancellations:** If a situation occurs, such as a dangerous snow storm, or other emergency when classes must be cancelled the message on the studio voicemail will tell you. If you are unsure whether the studio will be open call 446-0447 after 2pm. You may also check Channel 2 News Closing Central, either by watching the closings that are broadcast or by checking WGRZ.COM Closing Central.
- **Punctuality:** Classes will begin and end on schedule. Anyone entering late will be expected to enter the studio and wait quietly until an appropriate moment at which time the student should ask the teacher's permission to join the class. Late arrival is disruptive to the class, disrespectful to the teacher and classmates, and does not benefit the student. Repeated late arrival can result in termination of lessons.

Progress Books and Sticker Cards: Students needing new Progress Books (Levels A thru C use Progress Books) will be able to purchase them (\$5.00) after final class placement is determined in October. These should be brought to every class thereafter. Students whose books are not yet completed should bring them to the first class of the year and each class thereafter. The purpose of the Progress Book is to provide a record of attendance and progress. Please remember it takes at least 1-2 years to complete a level of training. The point is never how fast you move, but that you are growing a little more at each lesson. **Parents should review the book regularly to encourage students.** Students enrolled in the Creative Movement classes will be given a Sticker Card to be brought to each lesson. They receive a sticker for each successfully completed lesson. Students in Levels A and B receive a sticker on their Progress Books. Level C receives a sticker on their Progress Books each time the teacher recognizes a special achievement by an individual student or the whole class. Fall and year-end progress reports are also prepared for students.

Cecchetti Exams: are held in Buffalo, hosted by the Academy, approximately every 18 months-2 years. Examiners from the Cecchetti Council of America are brought in from other parts of the country. All students qualified for exam preparation will be notified. All qualified students will be required to attend special exam preparation classes for 15 weeks prior to a scheduled session. Potential exam candidates will be informed when they are ready to begin preparation for a specific exam. Special classes may be scheduled for this purpose, or they may be on the regular class schedule. Our next session will be in late spring 2018, dates and times TBA. All potential candidates participate in a practice exam a few weeks prior to the scheduled exam. Participating in exam preparation classes does not guarantee a student will be ready to be presented for examination at any particular exam session. You may receive more information about the Cecchetti Council of America, Cecchetti classes, and Cecchetti Exams upon request or at <https://www.cecchetti.org/>. Current Exam Pricing: prep classes \$225 total, practice exam \$25.00. Teachers' Exam Coaching \$75.00 per hour, as set by the CCA. Fees for each exam vary by level and are set by the Cecchetti Council of America. (All fees subject to change)

Class Observation Days (Visiting Days): are held the last week of classes before the Winter Break, and in June. Consult your Schedule Calendar for the exact dates this year. Cameras, camcorders, and questions are welcome at these events, as are your friends and relatives.

June Demonstration: The Academy does not produce a fully staged, costumed recital at the end of the year. We feel this is too costly for parents, and takes too much class time in preparation. Instead, the students present an informal demonstration of the skills and dances they have studied during the year. They also view a performance of a ballet and/or short works by the Academy performance group and other advanced level and professional dancers. We must rent a facility that is appropriate for the size of our audience, as well as the content of the program we will present. Dance families and their guests attending the program do not pay for costumes or tickets. **There is, however, a \$45.00 per family fee to help cover the facility rental** and any professional technical personnel required. Refreshments will be available for purchase at the theater. Consult your schedule calendar for the date. The program is held at the beautiful, historic Riviera Theatre in North Tonawanda.

Performing Group: The Lisa Taylor Dancers is a performing group that entertains and educates through dancing as a community service. We have performed at local elementary schools in the Ken-Ton, Starpoint, and Buffalo school districts, Pre-schools, Roswell Park Cancer Institute, Greenfield's Health and Rehab, various church social functions, the Ken-Ton Clergy Association's Annual Prayer Breakfast, First Night Buffalo, Grandmaster Production's Opera "Dracula", the Bristol Home, the Amherst Arts Festival, and the Towne Players Annual Christmas Show, among others. **Students in Level C2 and above who study at least twice per week may be eligible to participate.** Miss Lisa will let each student know when he or she is ready. **Peter and the Wolf** is one of many works we have performed over the years and is always well received. **The dancers rehearse on Saturday afternoons and must make a full year commitment. There is a \$50.00 annual rehearsal fee** which helps cover costs of maintenance of costumes and sets. This is a community service project carried out on a purely volunteer basis on the part of all dancers, parents, and teachers who are involved.

Class Assistants: The Academy has a tradition of training young dancers to assist teachers with their classes. Class Assistants learn to work with less experienced students, helping them to learn. They demonstrate steps and combinations, serving as an example of a higher level of accomplishment to younger students. They learn to appreciate the necessity of logical class progression, classroom management, and relating to both the students and their parents. Some Class Assistants go on to assume responsibility for teaching classes under Miss Lisa's supervision. When ready, they may become Assistant Teachers and possibly be recommended to other dance studios in need of well trained ballet teachers. Academy students usually begin assisting classes when they are at Level C2-C3. **They must be able to attend all classes for which they are scheduled to assist, and must make a full year commitment.** Class Assistants study in at least 2 Ballet technique classes per week, and are consistent with their class attendance. They are also strongly encouraged to add other dance subjects such as Character, Modern, and Jazz.
