Summer Dance Tuition Payments: For summer dance classes each family will purchase ***Tuition Payment Cards***. Each card will have marks indicating the amount paid for the card in \$15.00 increments. Each time you come to class present the card, the teacher of that class will punch out one mark for each class you take.

All summer classes are \$15.00 each.

Cards may be purchased for the value of \$60.00 (equivalent of 4 lessons) or \$120.00 (equivalent of 8 lessons). You may purchase cards at any time during the summer. Your first card may be purchased at the time you register for summer classes. Any cash value left on a card at the end of the summer session may be redeemed for credit on the first Pay Period of regular classes beginning in September. Continuing students do not pay a registration fee for summer classes. Students who were not enrolled for regular classes (Sept 2015-June 2016) and are returning for the summer classes pay the returning student registration fee of \$15.00. New students pay the full \$25.00 registration fee.

For families taking multiple classes per week the summer may be divided into two 4-week pay periods. If your classes will exceed \$250.00 in either pay period, you may instead purchase an unlimited class card for yourself or your family at the rate of \$250.00 for that pay period. (1st pay period June 27th-July 22nd; 2nd pay period July 25th-August 22nd). This is a non-refundable offer. If there are not \$250.00 worth of classes taken during a pay period your overpayment cannot be refunded or credited onto the next pay period or for fall classes.

Karate classes are payable per month, as usual: 50.00 for 1 family member, \$95.00 for 2, \$135.00 for 3, \$174.00 for 4. Karate has a one-time registration fee of \$25.00 per student at time of original registration. *If Karate students choose not to pay per month during the summer, the single class rate for Karate classes is \$15.00 per class, and a class card may be purchased if that is more convenient. Karate and Dance class payments may be combined.*

Dear Parents and Students,

Attached you will find this year's summer dance and karate schedule. I hope everyone who is planning on attending summer classes can find classes that will fit into their busy schedules. Students are encouraged to attend summer classes as their schedules permit to keep their skills current. Students anticipating participating in CCA Exam classes and/or pointe or pointe-prep classes are strongly encouraged to continue to study through the summer. Pointe beginners need to continue so as not to lose the ground they've gained. Please select classes appropriate to your level. If you are unsure about your class level or whether a particular class will be appropriate for you, email lisataylorballet@hotmail.com or call 446-0447 and leave a message.

Please complete and return the registration form below as soon as possible. You may print it out, complete it, and return it to the tuition drop box downstairs, or copy it to a new Word document, complete it, and email it back to me. Classes without a reasonable number of students registered by June 24th will be dropped, and if you register for a class that is dropped, you will be informed via email. The determination of what a "reasonable number" is will be based on the nature of the class and the needs of the individual students.

Teachers must be scheduled only for classes for which there will definitely be students attending. Please check your calendar, and if possible list on the registration form the dates and classes you will definitely not be there due to vacations and such. Teachers cannot be scheduled for a class and then have no one show up. It is a waste of the teacher's time. If you want to come in for a class you have not signed up for, call or email first to be sure there will be a class at that time.

Payments for classes may be made by purchasing a Tuition Payment Card as described on the schedule.

If you are aware of friends or relatives who may be interested in summer dance classes, please let them know they are welcome and pass the class information on to them. We appreciate your referrals.

If there is interest in additional classes, or any other dance subject not listed, a time slot may possibly be added. Contact Miss Lisa if you have any other questions.
